

CPD On-Demand Service for Construction & Project Management

ACPM Online CPD Launch

The country is grappling with the full impact of the Covid-19 pandemic which is sweeping across the globe. We can't predict what will happen, we want to assure you that the ACPM has a robust business continuity plan in place to ensure amongst others that Individual and Corporate Members registration status is not negatively affected due to non-compliance with CPD Requirements.

We are pleased to announce the launch of our CPD On-Demand® Service for Construction & Project Management, provided by ACPM in conjunction with Contracts On-Demand.

This Service is designed for Professionals to ensure that we meet them at their point of need in order to access CPD activities from home or office 24/7. The CPD activities are validated through the various CPD validating organizations and various Councils operating within the Built Environment.

About CPD On-Demand

The CPD On-Demand® Service is part of the e-CLOUD Construction Suite of Productivity Services and is designed to eventually serve all Built Environment Professionals irrespective of the nuances of the requirements of each Professional Council and Voluntary Association.

Benefits of CPD On-Demand for Users:

- **Convenient online access to CPD Training**
- **Reduced time spent away from the office attending CPD Courses and Events**
- **Reduced costs of obtaining CPD Credits**
- **More choice of CPD training material ('Study Aids') in various forms and prices**
- **Purchase of CPD Study Aids via Credit / Debit Card or CPD Vouchers**
- **Automatic generation of CPD Certificates**
- **Access to the latest information on the technical application of manufacturers' products (Manufacturers Technical Data Sheets - Category 3 - Personal Development)**

Free CPD On-Demand Voucher
